Must be in-person if desire to share comments. Attendance will be capped at 50. Principals will not attend in person to save space.
- Happy to continue to follow health order and provide promotion, graduation. Two different programs to allow 4 people from each family to attend. Will be following health order.

- Although numbers continue to go down, we do follow the health order. That means we must wear our masks. Children are required to wear a mask on campus.
- Must RSVP to the promotion

- Library media center is still going on, chain link fence is on hold but scheduled to resume June 14. Drop off and drive-through is in schematic design phase. Most excited about the in-person promotion.

- Thank you for the award. This has been a challenging year. Appreciate all the support from PTA, administrators and staff
- Construction and promotion. Getting ready for the end of the school year. Will have a fun spirit week at the end of the school year.

- We will do an end-of-the-year popsicle party. Popsicles will be dropped off to kids classrooms on the same Friday before school gets out. Pick-up in the drive-through for distance learners.

Proposed Ideas for Fundraisers for CSS PTA for 2020-2021

The following is a list of Fundraisers that CSS PTA would like to implement in 2020-2021 at Center Street School. The fundraisers would go towards funding the Programs that the CSS PTA would like to have to support our students, teachers, parents, and the school.

- For the Fall/Winter Fundraiser we would be doing The Jogathon, which entails:
 - An assembly for all the students to get everyone excited. A fun run by each grade level on the day of the event. There is prizes earned throughout the time of the fundraiser. A dance party to all students to celebrate the success.
- Our annual book fair is another fundraiser we do in the Fall.
- The Read A Thon in the spring. This is where we can celebrate moving our brains and logging reading minutes. The kids will get prizes and Cold Stone did an amazing ice cream truck class party for the class that raised the most money.
- 4th Grade will get to be creative and step out of the box on how to raise money. In the past years the following have been done; selling food at parent/child events, rummage sale, holiday boo bags, cookie tub sales, the list is endless of possibilities! The 4th grade does these fundraisers for their 5th grade graduation, T-Shirts, Yearbook, and picnic.
- 5th grade has the opportunity to fundraise for any need funds for their end of the year festivities.
- Throughout the year we have programs that give back to our schools. For example if you sign in with Ralphs and Amazon Smile, you will be contributing to CSS PTA.

Due to Covid-19 virus, things have been ever changing. Along with all of our fabulous parents, staff, teachers, and students, we pivot too! During the 2020-2021 school year we created an interactive at home Jog A Thon. We were able to raise \$30,000, compared to the year before of over \$85,000 net. We then decided in the spring
